This DVD is our digital link between the past, the present, and the future. In another 35 years, how will we present 70 years of the Society's work? Above all, the DVD is a tribute to our members past and present. Through the 182 issues of PC you can revisit photographs and published words of the past. Our modern digital age offers this tool to easily glean through collected photographic history to find data and stories.

For the production of this DVD, the Society owes its thanks to 35th Anniversary Chairman Wayne Gilbert, Webmaster Robert Carter, Editor Robert Lansdale and Past Presidents Ed Warner and Robert Wilson. A brilliant idea with brilliant execution! - C.H.
