*A Reference Guide to Photographers Working  
in the Frontier American and Canadian West*

By Carl Mautz

Introduction by Jeremy Rowe

*I encourage you to periodically pull this wonderful book from your shelf and graze through the information provided, whether to help identify your own images, or to join others with remembering and living vicariously through the stories of these intrepid pioneer photographers who created the vast historical record of the growth and development of the West.*

Jeremy Rowe, Photo-Historian

---
