

TDPC TO TAKE PART IN PHSC FALL FAIR

The Toronto Digital Photography Club (formerly the Toronto Guild for Photographic Art) was originally established in 1947 as the Toronto Guild for Colour Photography. It is one of Canada's premier photography clubs with a rich history and is one of the oldest camera clubs in Toronto. The club is home to many talented and successful photographers, both amateur and professional.

TDPC will have a booth at the upcoming **PHSC Fall Fair on Sunday October 27th**. Please come by and see our marvellous prints on display and learn about our wide array of club activities. You can also sign up to become a member!

Regardless of your skill level, membership in our club offers many opportunities to improve your photography; to meet people with a common interest in various genres of photography; and, to share ideas and participate in fun and friendly photography outings.

So while checking out all the photography gear available at this year's Fall Fair, please come by and say hello!
